Product Description

Durable PVC Baseball Inflatable Batting Cages Outdoor Inflatable Tent

Description:

Our inflatable batting cage is especially created for all the sluggers out there looking for their own cage to practice in; however, anyone looking to simply have some batting fun is welcome to enjoy this product as well. This product offers a comfortable batting space. Batters can enjoy the Batting Cage anywhere that allows space for it.

It is like a combination of beach volleyball and competitive trampolining.

It's played on a specially designed inflatable court that features a round trampoline on each side of an adjustable volleyball-style net. The entire court and surrounding area are heavily padded for safety and the trampolines are circled by a big red barrier.

Inflatable Volleyball Court has quickly become popular in Europe and South America and the portable court has allowed it to be played on beaches, in schools and at music festivals.
