Product Description

Commercaill customzied 10, 20 or 30 cm high blue inflatable air mat for gymnastics

Description:

If you've been looking for a way to boost your skills faster than ever, you've found it! The AirTrick is the ideal mat for anyone trying to learn new tricks or perfect his technique.

Enjoy the bounce a normal trampoline offers while having the space to combine multiple moves like you're on a regular gym floor. You can set the pressure to anything between rock-hard and bouncy-soft. Easy to roll up and transport in a regular car.

All AirTricks are custom made. Choose your ideal height (10, 20 or 30 cm high) and a length and width that fit your gym best.

Size:

Height (10, 20 or 30 cm high) and a length and width that fit your gym best.

Advantages

Very light and easy to move around the gym.

The AirFloor can be placed on the gym floor, the rod floor, the artistic gymnastics floor etc.

The required OV10 blower is very light

Pressure is easily customized within seconds

Inflating and deflating is done in a single minute

No noise during trainings

After inflation, the AirFloor will maintain its pressure for hours, refill only takes seconds

Easily portable from gym to gym. The AirFloor is so light and small it will easily fit on the back seat of your car.

The takeoff is soft, which helps prevent injuries.

The AirFloor will allow you to jump higher, giving you more precious airtime to work on your technique.

Jumps can be repeated more often with less chance of overuse injuries than on traditional training equipment.
