Product Description

Amusement Park popular funny kids inflatable interactive game knock me off

Description:

The game has 5 floating balls and the objective is to knock off each ball for points, with each ball having a different point value.

An extremely popular carnival game, the object of the game seems simple enough, knock down some target balls. What makes this game so tricky is that the target balls are spinning and dancing around, as they float in mid-air. The balls actually hover in an upward air stream and move around, making it easier said than done!

Includes inflatable game, balls, and blower.

The Knock it off inflatable carnival game rental is perfect for carnival themed parties, school festivals, and fundraisers.

Manufacturing technology

- 1.Raw material and workhouse view in factory
- 2.Double stitching inside and outside;Reinforced buffer and key stress point
- 3.Air stop top, safe flap / backflow flap inside the air blower tube liked the blower

when electricity is cut off suddenly by accident, the flap could slow down the air let out, kids have enough time leave the obstacle.

- 4.Logo and cartoon picture printing

Digital printing, Silk printing,hand painting, etc, with protection oil which makes the printing also lead free and UV resistance.

- 5.zipper cover and durable T-zipper(For deflate quickly after use)

- 6.Anchor strap and Stainless steel D ring, sand bag and rope for flexion on the ground

- 7.Acessories = Repair kits (free) + blowers(not free)
