#### FAQ

Q: What are the inflatables made of?
A: Our inflatables are made of durable PVC tarpaulin.
Q: What happens if the inflatables punctures?
A: If the inflatables punctures there is no reason to panic. Small and large holes or tears can easily be patched and sealed. If there is a leak in the ball simply signal the instructor and you are pulled ashore. The ball will not sink unless it is completely destroyed. The ball can easily be patched with repair kit in you order from us.
Q: Where can the inflatables be used?
A: inflatables can be used anywhere where there is water, lakes, pools, beaches, amusement parks and inflatable pool. If the ice tower XXL is to be used on open seas, our specially designed safety nets should be used.
Q: How are the product inflated?
A: The inflatables are inflated with air from a air blower/pump/compressor. It takes about 5 minute to inflate.

#### Guarantee

- A, Each product will be tested for 3 times before leaving factory, the rate of leaking is controlled within 0.3%  
B, Each ball with repair material and glue in case of any breaking.
