Product Description

Inflatable air yoga mat on water Yoga sup board floating yoga mat Floating water eco friendly

Description:

Take your yoga practice to the next level on the water! The Yoga Mat helps you unwind while you breathe fresh air and feel the water underneath you. Floating on water adds an element of both freedom and instability to your workout, providing a better engagement of your core. If you have too much weight on one side in a pose, the mat will lean, letting you know to correct your body position. As a result, your movements will slow down and your poses will be more precise. Premium 5" drop-stitch construction with double-reinforced seams. Easily inflates to a rigid platform and deflates quickly for convenient storage. Includes anchor points on the bottom and 6 D-rings for connection to other mats.

Recommended pressure :16 psi.

Size:3'x7'x5"

Construction:Premium 4" drop stitch

Features:Double reinforced seams

Integrated:handles& tie-off ,D-Rings
