## Product Description

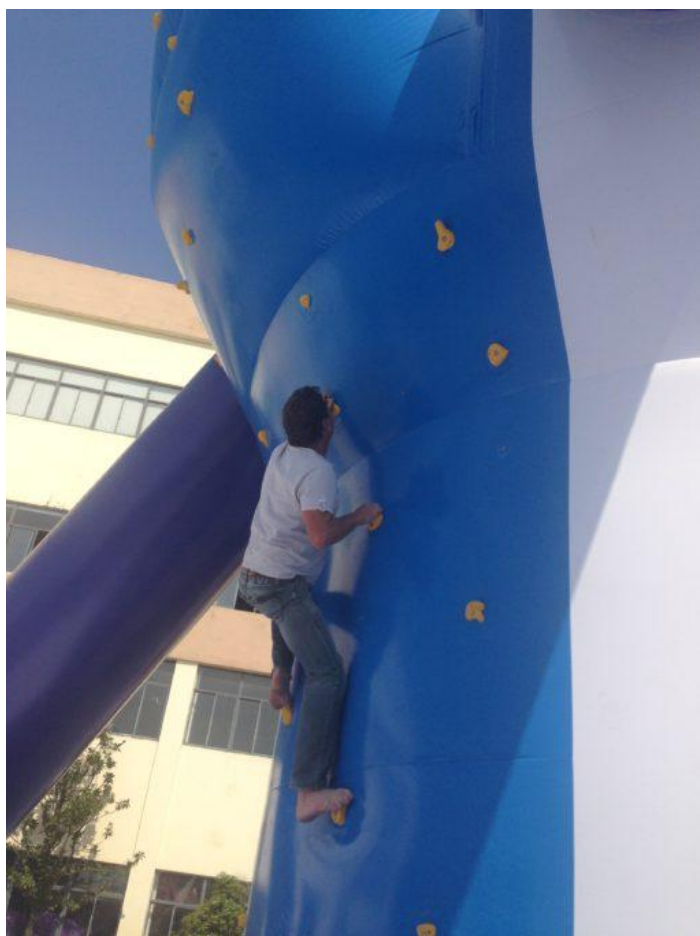

### Large blue 28ft inflatable climbing wall ,free klimb inflatable interactive games

#### Description:

The Free Klimb wall is 28ft high with a bell at the top. The goal is to ring the bell and then – if you dare – let go and fall all the way down. For most people, this is very scary and very few people actually work up the courage to let go from 27' and trust the air bag to save you, but that's the fun of it! Our patented ZeroShock impact technology is there to carefully cradle your fall, and ensure that jumpers land safely and comfortably.
