# **Product Description**

### Fun inflatable water toys,ride on water toys for swimming pool

#### Description:

Flying manta ray towable was designed and developed completely through many years of trial and error.

We are proud of the Flying towable and its reputation with customers around the world.

During the professional Flying towable racing in Europe, It can fly 5 meters up in the air when pulled by a Jet-Ski.

The 2 riders has become the most popular model with our customers.
