Product Description

Last Man Standing Inflatable Meltdown Rotating Sports Games with Controller ,Kids Sweeper Arm Game

Inflatable 8 People Meltdown Games

Introducing MELTDOWN, the new multi player action game! Meltdown is a game designed to challenge your agility, balance and endurance. Either duck or jump over the two spinning beams or get wiped out! Up to 8 players can enjoy Meltdown at any one time!

This game is perfect for young children as well as adults. The best part is it can be played by both at the same time. Another cool feature of this interactive game is that crowd participation becomes a big part of the game as they can't help themselves but to scream, yell, and laugh at the players as they duck, dodge, and get wiped out by the toxic arm. It keeps the party hopping with plenty of action.

This multi player action game only require two 20 amp circuits to play. We can provide a generator for an extra charge. We provide trained staff to operate the game for the whole length of your event. This provides a fun, interactive, and safe memorable experience.

Toxic Meltdown is perfect for family reunions, church fests, community festivals, company picnics, grad parties or any other event where laughter, smiles, and giggles are common just trying to avoid the Toxic Meltdown.
