Product Description

Commercial Grade 4 Lanes Wet Giant Inflatable Water Slide for Big Event

Description:

If you are looking to by-pass your competition and attract thousands of families to your location, then the Hippo by Barry factory is an airtight investment guaranteeing safety, reliability, and a tremendous opportunity for an immediate return. The Hippo is considered a temporary structure, which provides a unique opportunity to tap into markets that have always been off-limits. These markets have proven to generate tremendous amounts of revenues.

Together with your staff, your slide will be set-up by a qualified installation technician who will teach you how to operate and maintain your investment. Your purchase includes a fully comprehensive two-day training service, explaining set-up, maintenance and ride supervision.

1. Brief introduction of Inflatable slide

Inflatable large integrated product is one of the most important products in our company. The automated high-speed cutting machines are used to prepare the materials accurately. We also use high-end welding and laminating machines to ensure the quality and efficiency of our products. We have an excellent after-sales service system and take "living depends on quality and developing depends on credit" as our persistent tenet.

2. Advantages of our products
