## Product Description

### Yellow Kids Adult Giant Inflatable Floating Water Slide / Inflatable Sea Water Park For Summer

#### Description:

This is a popular project for water park or swimming pool, players can climb onto the tower, then have a break on the top or slide down into water. It has a roof, so it is a good place for resting. It is double stitching overall, and key points such as junctions, stress areas, corners etc will be reinforced by strips. So it is durable with a long life span.
