Product Description

Build an Inflatable Portable Giant Ground Water Park for Resort

Description About The Water Park

The inflatable water park is one of the newest designs from Barry Inflatables. The size of the pool can be dia.1.5m or dia.20m, which means the pool can contain 150 to 250 kids to enjoy fun and cool in the larger pool at the same time. The water park offers excitement to kids when they climb on the top of the slide and ride down to the pool speedily from one of the slides. Small games in the pool will make the park more funny and popular.
