Product Description

EN71 Inflatable Air Track Good Service Certificated Logo Printing Small Blue Air Floor Pro Tumbling Mat

Description:

Nowadays, inflatable air track are replacing conventional gymnastic tumbling mat and becoming one of the indispensable part of gym, home, and outdoor. As customers or athletes continue to push the limits and break new barriers, it is significant to prepare a safety equipment if you want to train yourself gym skills, so we continually spare no efforts to search out new solutions to keep our inflatable tumbling air track at their peak performance.

With the increasing importance of health and fitness, gym equipment do not belong to gymnastic only in recent years, gymnastics is a great sport that can help increase your body flexibility and maintain a good health condition, more and more people are taking a gymnastics class to learn gym skills and then try to practice at home. Therefore, we devoted to develop this home, outdoor and gym triple use inflatable air floor with suitable dimension and performance which enables people to train anytime and anywhere safely.

Durable Material

We laminated a high density PVC structure instead of moltenPVC with thinner threads section.
