Application: gymnastics, yoga, recreational gymnastics, cheerleading, freerunning, martial arts, senior gymnastics, fitness

Package List:

1 x Airtrack

1 x electric air pump

1 x repair kit

#### Note:

1. Make sure there is no fire or sharp objects in the vicinity during use.
2. The color may differ slightly from the picture, mainly due to the different lighting conditions and monitors.

#### How to use:

1. Find a flat area for the airtrack. Make sure there is no fire or sharp objects in the area.
2. Take out the airtrack and unfold it.
3. Power the pump and connect it to the valve.
4. Turn on the pump and wait until the desired air pressure is reached.
5. Turn off the pump and unplug the power cord.
6. Press the valve to fine-tune the air pressure to reduce the pressure. Pump again to increase the pressure.
7. The preparatory work is completed.
