Product Description

9m(L) X 3m(W) X 4.5m(H) Industrial Residential Tropical Small Pool Water Slide Inflatable

Product Description

This bright and colourful inflatable water slide is one attraction that is sure to capture the attention of everyone who is at your upcoming event!

Simply attach a garden hose to this inflatable to transform yourself into the host of the hottest and most fun filled party this summer with our tropical themed inflatable.

Not only will it keep all of the children and their parents entertained for hours, you can look forward to the memories of the slides and big splashes being talked about for years to come...

A water slide is one of the most fun things to have at a party on a hot day...

How much space is needed?

Standing over 4m tall, this inflatable water slide does need a reasonable amount of space to be setup properly and ensure that everyone using it is safe.

When in use, it measures 9m(L) x 3m(W) x 4.5m(H) with the top platform being approximately 3m high.

When buy a water slide, we recommend there be at least 3m clear in the front and back areas, as well as the standard 1M around each side

Safety and Insurance Details

Being a water-based activity, we recommend that only children over the age of 5 be able to use the slide. Of course, everyone has different levels of comfort around water, so parents are able to make the final decision on who plays on this activity.

We strongly recommend that a dedicated supervisor be placed in charge of controlling the number of kids on the slide as well as keeping an eye on them all.

Keep all of the children at your upcoming birthday party or local event nice and cool by buying this stunning inflatable water slide!
