Advantages :

HP Printing: To reach the best specification of 1440DPI, we use advanced technical machine, the Polaris 512 high precision guide rail trinket printer. After the printing, we will cover a UV protection oil layer to keep the image lasting bright, shining, and protect from sunshine.

Quartic Welding: All products inside we make the best reinforcement. Make sure it is quartic welding with flange protection. High-Quality Bungee: The trampoline we all use the stainless bungee, the trampoline has enough elasticity, and all these are stainless, highly durable.

Double connection systems: Barry Inflatable originally designed double connection systems that make the whole water park very stable and robust even in the bad weather. This connection system is patent protected.

FAQ:

Q: Can you design one specially?

A: Yes, send us details and a sketch of your requirements and we will quote you our best price.

Q: How many staff do I need to prepare for the park?

A: It depends on the capacity and estimated number of guests. The staff you need is a water park ticket seller, promoter, lifeguards. For example, normally, a 100 capacity park needs 4 lifeguards. The required number of lifeguards may be different in different countries.

Q: What do I need to prepare if I want to open a park?

A: Normally, the main points that you need to prepare is to find a proper water area and apply for the License from your authorities. For permission, different countries or even cities have different rules, you need to check with your local authorities.

Q: How do you start the order?

A: The process as follow:

1. Tell us the Item model and quantity you order. we make a PI for you. Then You pay the down payment 50% of the total amount to our company account.
2. After we receive the down payment, we will produce the goods for you.
3. Once we finish the products, we will send you the photos to check and confirm.
4. If everything is ok, you pay the balance amount. After we receive the balance amount, we will arrange to ship for you.

Q: Can you provide a reference customer in our area so that I can check your quality?

A: We exported our inflatable aqua park to different countries, we can provide a reference after we get our client's permission, please send an inquiry to us to get more information.
