Product Description

Anti-UV 0.9mm PVC Tarpaulin Inflatable Water Park Equipment For Lake , Inflatable Water Obstacle Course

Description About The Water Park

If you ever find yourself unable to choose which floating device you want to buy for your weekends at the lake, the Water park is an inflatable water park that will put your mind at ease.

This floating playground has everything you could ask for from an inflatable toy including a cliff, a balance beam, a long jump, a high jump, a swing, a trampoline and much more.

More Details :

1. This set of inflatable water park is made of Plato 0.9mm PVC Tarpaulin . PVC Tarpaulin is a kind of very strong and durable material , which consists of 3 layers with a strong net inside , people can't tear it off easily with hand .
2. PVC Tarpaulin material has several regular thickness , such as 0.4mm , 0.45mm , 0.55mm . 0.6mm and 0.9mm , 0.9mm in thickness often used for producing inflatable water park .
3. This inflatable water park is airtight / sealed products , they are inflated with air pump connecting electricity , which only need to be inflated one time , then it can keep about 10 days if good quality .

4. Accessories : 4 air pumps for inflating and repair kits for maintenance, air pump is generally 800W and 1200W , it has two kinds of models , one is CE (220v-240v) , another is UL (110-115v) .

5. Payment terms :50% deposits and 50% balance before the products are finished. You can make the payment by TT , alibaba , western union , moneygram .

6. Warranty: 1 years. Within the warranty period, if there are any quality problem, our company will try our best to get it re-worked .

7. Test: after your products are finished, if you can't come to test the quality yourself, we will take some high resolution pictures for your confirmation , if ok , then you can pay the balance.

8. Shipment : There are generally 3 kinds of shipping way , by express, by plane, and by sea. This set of the water parks is very heavy, about 7 CBM , shipping by sea is the best choice .

9 . If you have different designs, pls show us . Friend, any model, size, color, and logo can be customized.
