Product Description

New Inflatable Floating Obstacle / Inflatable Floating Water Park Games For Adults With TUV Certificate

Description About The Water Park

Aqua jump Inflatable Water Park for sea, lake or beach is made of 0.9mm commercial grade PVC tarpaulin. Comparing with the traditional hard water parks, inflatable water playground is softer and more comfortable, they are also easier to set up and store, the floating water park are very suitable for lakes, some beaches, hotels. It also makes it easy to add or replace individual modules without having to disappoint your guests with down time. So let's combine your own unique water park.

FAQ

Q: Can you custom make a design?

A: Yes. You can choose a similar design from our price list to change or send your own design with detail requirements.

Q: What are these Water Games made of?

A: durable PVC laminated material, high strength, lead free, weather-resistant, waterproof, fire-retardant, UV protective, 0.65mm or 0.9mm thickness available.

Q: Do you recommend 0.65mm or 0.9mm material?

A: Both materials are good, but 0.9mm has better abrasion resistance, tear strength and outstanding high or low temperature performance, it also keeps air better than 0.65mm, especially for big size designs.

Q: How to inflate an Inflatable Water Game?

A: Can inflate with air by electric air pumps . It usually takes minutes to inflate depending on design.

Q: Can print our logo on products?

A: Yes. This may be extra charged depending on quantity, printing colour and size. You may send us high-resolution artwork in JPG, PDF or PSD.

Q: What happens if it's punctured?

A: The damage can simply be repaired by our repair kit (material patches and glue) or by welding machine if necessary.
