Product Description

Water Park Design Aquapark Inflatable Water Park

Description About The Water Park

If you ever find yourself unable to choose which floating device you want to buy for your weekends at the lake, the Water park is an inflatable water park that will put your mind at ease.

This floating playground has everything you could ask for from an inflatable toy including a cliff, a balance beam, a long jump, a high jump, a swing, a trampoline and much more. The inflatable water park can safely support about 60 of people of all ages, making it ideal for your giant lake party with the potential to resemble a scene from a teen spring break movie.

Advantages of our outdoor inflatable water park games:

1. Anti-UV&heat resistance material

Barry use customized anti UV&heat material makes the life span of the floating water park 30%-50% longer than normal material that most suppliers have been using, especially for the strong UV and high-temperature area.

2. Stable Connection System

Barry originally designed double connection systems make the whole water park very stable and robust even in the bad weather. This connection system is patent protected.
