Product Description

High Quality Inflatable Dock Floats Inflatable Island Floating Raft Yoga Mat For Sale

Overview

This is not your typical inflatable.

It's robust, rigid, and ready for any body of water. The Utility Dock XL will provide you and your family (yes, even your dog) infinite possibilities for fun on the water.

Anchor it as a swim raft out on the lake all season.

Tow it at an idle speed behind the boat, then use it as a sun deck out at the sand bar.

Connect it to your dock to create a user friendly, water level launch point for kayaks, paddle boards or jet skis.

Set up as a patio on the water to relax in chairs, sun tan, fish, improve your yoga poses, or even eat lunch.

Recreate your kitchen table in waist deep water for card games, happy hour, fish stories and more.

Flip it over, soap it up and slip-and-slide all day long.

Bring tools to wash your boat, work on the engine or set you boat lift in place.

Size - 12' x 6' (6" thickness) or custom made
