#### Customer reviews

★★★★★

##### 1. Jenn

I love this board, for the price it is perfect and it actually fits back in the bag, the pump isn't the best out there but it does the job! It's sturdy enough to fish from and have my extra passenger/s dog and kiddo!

##### 2. Loretta Bach

I have had this about three weeks. It is easy to set up and works well! I inflated it upon arrival and it has held air without having to add any. It takes a while to inflate, but the pump they provide is a good quality. It is very stable

##### 3. Emma

Great product! Delivery was efficient and everything you could possibly need comes with it. As soon as it came myself and my partner opened it up and inflated it in the living room, very easy to inflate and took no time at all, it's big. Also very easy to deflate and fold away into bag provided. The bag has lots of space for paddle board as well as the additional extras to fit in too. Can't wait to take it out onto the water.
