Product Description

Customized Drop Shipping Inflatable Paddle Board For Surfing Portable Paddle Board Youth Sup Board Touring

Description:

SUP on the water is the past! Snow SUP is the future!

The Best Surfers all over the world quit surfing already!

Now you can find them shredding down the mountains in snow weather, following their inner passion! Live the Search - let's get INTO THE WHITE.

STABLE + DURABLE & NON-SLIP:

The wide and thick inflatable stand up paddle board is 100''*30''*6''. Composed of thickened PVC and drop-stitch materials makes the paddle board rigid but light(17lbs) and durable (support up to 330lbs or 1-2 people) . Hence, it is easy for maintaining steady and safe sailing. Moreover, Large EVA cushioned deck with a patterned design increases both comfort and friction(anti-slip).

Double Actions Pump:

The double action pump comes with the inflatable paddle board. This pump is innovatively designed for easily inflating paddle board to 15 PSI, with an average pumping time of less than 10 minutes. The efficiency is twice that of ordinary pumps.(for option)

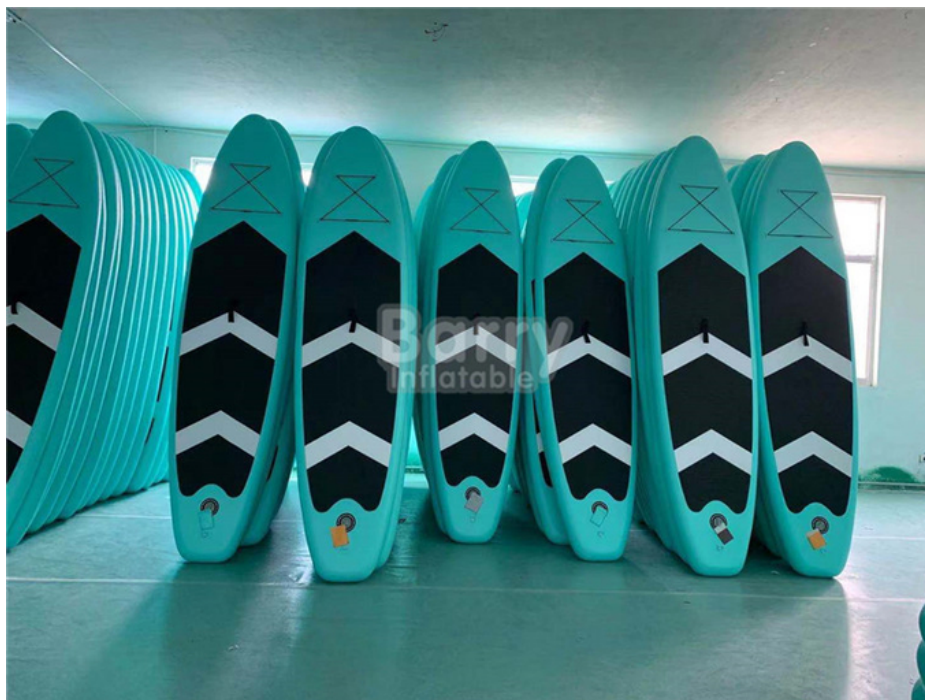

POTABLE & FULL ACCESSORIES:

The paddle board can be rolled up into the backpack after deflated. So the SUP inflatable paddle board is convenient to store and transport. All premium accessorizes are included : adjustable aluminum paddle, safety leash, double-action pump, detachable fins, repair kit. You can spend whole day on water.

VERSATILE PADDLE BOARD:

Our inflatable paddle board can be used in different water including sea,lakes, rivers or small wavy ocean. And the paddle board is great for fishing, surfing, paddling, cruising, yoga, sightseeing in water. The inflatable paddle board is beginner-friendly as you can lock one end of the leash to your ankle and attaches the other end to D shape ring to ensure your safety! The pointed bow promotes faster glide so ISUP is also great for professional surfer.
