Floating Inflatable Swimming Ocean Pool For Sale Anti Jellyfish Pool With Netting Enclosure For Yacht

Overview

What is the inflatable ocean pool?

Description:

The inflatable anti jellyfish pool and attached underwater netting provides your very own enclosed personal portable training lap pool that can travel with you anywhere.

Now you can swim laps without waterborne garbage and debris, and not have to worry about Medusa or box jellyfish, sharks or crocodiles. The portable netted swim Lap Pool is ideal for swim training at the beach, lake, river, and boat or at your home waterfront shoreline, dock or jetty. It is easily handled by two people to carry, transport and assemble on sit

Keeps children safe •Keeps swimming area free of the deadly "Box Jelly Fish" and all manner of floating objects •Deflates and packs down to a compact package for stowing on board •Extremely rigid inflatable beams with a width of 50cms, which remain rigid in high wind and tidal conditions •Net is made from a rot proof polyester weave with a mesh size of 1.5mm •Built to order to any size, the beams are made in "double walled drop stitch fabric" and the top has a non slip surface •Optional stainless steel ladder and GRP saddle available •Extremely buoyant, and the beams support several swimmers •Optional extended sun lounging area can be incorporated in the design.
