#### Features:

The inflatable water park is the world's famous popular mobile water park which is very safe used on the land. It is made up of two components: an inflatable water slide and an inflatable swimming pool. Both children and adults will find there is a lot of fun when they play inside it. We can swim in the pool, climb on the mountain then slide down from the top. Otherwise, we will find that it is so miraculous we can play with a lot of water floating toys in the big pool. Such as water totter, iceberg, water trampoline, inflatable water obstacles course, and so on. Welcome you contact us to get more details about it.

#### Quality Control:

Guangzhou Barry Industrial Co., Ltd is a professional manufacturer of inflatable products. We have been manufacturing high-quality and safe inflatables since 1999. We offer a wide range of inflatables such as inflatable bouncers, slides, tents, promotion inflatables, water games, sports games, and so on. We have exported our products to worldwide countries such as Britain, America, Mexico, Australia, Canada, France, Saudi Arabia, Brazil, South Africa and so on.

We have been enjoying a stellar reputation of providing quality products and services to commercial, non-commercial, and non-profit agencies throughout the world. We invest exceptional quality, pride and care into every step of the production process. Let us be business partners together!
