Product Description

Inflatable Castle Bouncer Trampoline Jumping Playground Inflatable Combo

Description:

All of our inflatables are constructed from materials that are lead-safe, meaning levels below 90ppm and meaning our inflatables are safe for children. We also use vinyl materials that are flame-retardant and meet different countries, large and small-scale tests. Do your homework before dealing with any inflatable manufacturer, and make sure they're not using cheaper materials that could be dangerous to children. We never cut corners with our products, and always strive to provide the safest environment possible, even if it costs a little more.
