Product Description

Kids Inflatable SUP Board Commercial Non Slip Blow Up One Or Two Person Paddle Board

Product description

Stand Up Paddle Board with Improved Design- Whether you're a paddle board enthusiast or a newbie, this Huarui inflatable paddle board for adults is all you need! Made of high-quality materials, it's safe and easy to maneuver. From the upgraded premium grade inflation valve to the improved deck pad to the bungee ties, our new and improved design makes every stand up paddle board activity a more enjoyable experience you'll look forward to every time!

Improved Stability and Maneuverability - This inflatable standup paddle board includes triple bottom panel fins, a wider design, and a nonslip EVA deck pad that allow for better stability and make it easier to steer. The newly designed deck pad provides more traction and comfort for paddling, sitting and kneeling. Perfect for water sports activities such as fishing, paddling, and yoga, this 10'6" SUP board is able to support up to 300 lbs.

Essential Accessories Included - Get all the gear you need in one purchase! This stand up paddleboard (inflatable) includes an adjustable-length aluminum paddle, a coiled ankle leash, a paddle pump for quick inflation, an emergency repair kit, a roomy storage bag, and much more! (IMPORTANT: Always use the valve tightening tool to securely tighten the air valve after inflating to avoid air leakage.)

Light and Easy to Carry - Looking for the most adventure-friendly paddle board? Our paddleboards are designed wider and lighter, with anti-air leaking feature, making it easy to store, use, and carry anywhere you want to go. Whether you're planning a weekend of water sports, or you simply want to hit the nearest body of water on a whim, this Huarui paddle board is your convenient companion! At only 19lbs light, this paddle board is the perfect gift for adventure seekers, as well as beginners!

FAQ:

Q: How to choose the best surfboard with the cheapest cost?

A:Kindly pls let me know how many do you want for surfboard and the details about your business. The best pricing will be offered to you. Not only the best pricing, we would like to offer the best advice about the surfboard and recommend our best selling surfboard with you.

Q: Can you printing my logo on the products?

A:Yes!You just need offer the logo by CDR or AI file to US.

Q: Can you make my own design?

A:Yes,you could send us your design sketch directly and us tell your requirements

Q: How do I stand on a Paddle Board?

A:The easiest way to start is to kneel on the board and start paddling. As you gain confidence, move one of your knees up so you are on one knee and one foot then push up your other foot so you are standing.

Q: What are inflatable paddle boards made from?

A:They are made from a PVC that uses something called “Drop Stitch” construction that when it gets inflated gets very rigid, similar to a traditional epoxy paddle board.
