## Product Description

### OEM Windsurfing Board Inflatable Sup Paddle Board Sup Surfboard For Kids And Adult

#### Description:

Standard-up paddle boards are one of the hottest new water activities and is becoming more and more popular worldwide. It is much like surfing, but its easier and offers a more relaxed experience. You also don't need waves. you can paddle along flat water and have a ball. Standing on the water gives you a nice view of whats going on in and out of the water. Its a great activity for the whole family.

It is very light and easy to take , just a backpack for carrying it .

This paddleboard is suitable for beginner and intermediate paddlers up to 12kg. With a built-in inflation pump, you can quickly inflate it and get out on the water. Its PVC material provides incredible strength and durability. The board has an anti-slip traction pad, steel toe ring, 2 modeled side fins, and 1 removable middle fin for directional stability.

#### Packaged included:
