All of our inflatables are constructed from materials that are lead-safe, meaning levels below 90ppm and meaning our inflatables are safe for children. We also use vinyl materials that are flame-retardant and meet different countries, large and small-scale tests. Do your homework before dealing with any inflatable manufacturer, and make sure they're not using cheaper materials that could be dangerous to children. We never cut corners with our products, and always strive to provide the safest environment possible, even if it costs a little more.

Custom Made all Cartoon Theme

Industry leading digital art work, printed by the best digital printers on the market, We use a fantastic lacquer process to protect the artwork which is perfect for protecting against the varying weather. We bring in professional HD printer for product printing and the printing result can reach 1400 DPI. The durable vinyl coated nylon is resistant to UV, aging and scratching, which ensures a long-lasting company and brand profile.
