## Product Description

### Custom Made Large Inflatable Swimming Pool Mix Colors

#### Specification

The square inflatable water pools are very common in many backyards and water parks. Due to the similarity in their lengths and widths, they look very regular and clean in appearance. The square shape design of portable inflatable swimming pools enables them to offer large swimming space in all directions, can be used in both limited and expansive spaces. And the large square pools will look more spectacular especially in a big water park.

The color and the size can be customized, some pictures for reference:
