## Product Description

### PVC Bouncy Castles Obstacle Course Survivor Challenge Inflatable Outdoor Play Equipment

#### Description

Interactive Inflatable Obstacle Courses are built tough with emphasis on reinforcement seams for extra durability. By this, your customers are guaranteed to enjoy endless hours of Twist, Turns, Climbs and Slides! Our games are also known as Obstacle Courses, which are real 'Crowd Pleasers' and loads of Fun for All Ages.

#### Feature:

1. This inflatable water slide is made of 0.55mm pvc tarpaulin and in compliance with EN14960.
2. Easy setup and convenient to be used in different places.
3. This commercial inflatable water slide is the most popular with people for sale.
4. Excellent waterproof and fire resistant factors make itself durable in daily use.

#### Top tips for safe while playing

- Remove shoes, eyeglass, and sharp objects before entering. User's dress code Avoid and remove all head gear, loose clothing, hard, sharp or dangerous objects, such as, but not limited to: jewelry, ponchos, scarves, helmets, etc.
- Product away from others and sides, especially near the opening.
- No flipping, wrestling or piling together on the product.
- Don't jump on to or off of the product.
- The product can be dangerous, so children must have adult supervision when playing on it.
- Don't bring in any food, drinks or chew gum while on the product.
- Don't set up, use, or expose the product and electric blower to any adverse outdoor weather conditions, such as, but not limited to: rain, thunder, lightening, hail, snow, high winds, and tornados. As well, avoid setting up and operating the product and electric blower anywhere when either would be potentially exposed to water.
- Keep pets off and away from the product and electric blower. They must not play on the product until the blower is properly installed, as well as it is properly anchored and fully inflated
- Please use blankets or mat on the ground when used in the cement floor. Don't drag the products on the cement floor at random to protect from breakage.
