## Packing and Shipping:

## Inflatable Tent Packaging and Shipping

### Packaging

The Inflatable Tent is carefully packaged to ensure safe delivery. It is packaged in a durable carrying bag made of high-quality materials to protect it from damage during transportation.

The tent is deflated and folded neatly into the carrying bag. The bag is then sealed to prevent any air from escaping, keeping the tent compact and easy to transport.

Inside the carrying bag, you will also find a repair kit, which includes patches and adhesive for any potential punctures or tears that may occur during use.

### Shipping

Our Inflatable Tent is shipped using reliable and trusted shipping companies to ensure timely and secure delivery.

Once your order is confirmed, we will provide you with a tracking number so you can monitor the status of your package. Our team will also carefully monitor the shipping process to ensure that your tent arrives on time and in perfect condition.

For international orders, please note that customs and import duties may apply. These fees are the responsibility of the customer and are not included in the shipping cost.

If you have any special shipping requests, please contact our customer service team and we will do our best to accommodate your needs.
