Product Description

Custom PVC Inflatable Boat Fender/Boat Dock Bumper Durable Buoy Boat Dock Bumper

Product Description:

Specifications

rubber PVC BOAT bouy

- 1.absorbing greater energy
- 2.less reverse impact on the boat
- 3.easy installation
- 4.reliable

PVC floating boat folder:

Floating boat fender (for boat) uses compressed-air as medium to absorb the energy from impact. The sides of boats are softer when berthing, so collision is avoided. Compared with traditional bumper-style rubber fender, it has the following features, absorbing greater impact, less reverse impact to the boats, easy installation, more elasticity, not being bent out of shape under pressure, less weigh and practical and economical, easy to carry ,

Fetures:

- 1.Boat fenders made of high quality durable marine PVC
- 2.Anti-UV and -frozen material for long life time.
- 3.With inflation valve.
- 4.Various sizes available.
- 5.Sizes: 6.8*3', 4*3" , 5*2" etc any size you require.
- 6 .All colors avavilable: yellow , blue , red , white green , black , grey.orange etc.

More Details

Product Details:

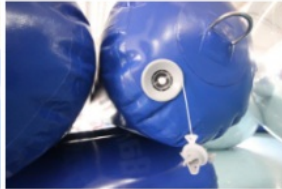

Durable D-Ring

2 stainless steel D-Rings at both ends

Safety relief valve

The air release valve keeps the fender's inside and outside air pressure in balance.

BRAVO valve

Valve can be inflated and deflated. Carried and stored easily.
