Barry's Inflatable Floating Dock is the perfect addition to any water activity. Whether you're looking to relax by the lake, host an event, or go fishing, our floating dock has got you covered. Available in 2m, 3m, 4m, or customized sizes, this dock is made with high-quality drop stitch PVC+EVA material, making it durable and long-lasting.

The portability of our floating dock sets it apart from traditional docks. It is easy to transport and store, making it perfect for those who like to switch locations frequently or have limited storage space. The Teak and White color options give our customers the freedom to choose the style that best fits their needs.

With Barry's Inflatable Floating Dock, the possibilities are endless. Use it as a lake floating platform for sunbathing, a floating fishing pontoon for a day out on the water, or an inflatable dock platform for hosting events. The choice is yours!
