Barry Inflatable Floating Dock - HBY-FD-030

Brand Name: Barry

Model Number: HBY-FD-030

Place of Origin: Guangzhou, China

Printing: Digital Printing

Capacity: Depend On Size

Application: Lake / Rivers / Ocean / SEA

Item: Inflatable Island Floating Mat

Material: Drop Stitch PVC+EVA

Product Description

The Inflatable Floating Dock by Barry is a versatile and durable product designed for various water activities. Made with high-quality Drop Stitch PVC and EVA materials, this floating dock is sturdy and can withstand rough water conditions. It is perfect for lakes, rivers, oceans, and seas, making it suitable for both commercial and recreational purposes.

Application

The Inflatable Floating Dock can be used in a variety of settings and scenarios. Its versatility makes it an ideal choice for different water activities, including but not limited to:

Lake floating platform: The dock can be used as a floating platform on lakes, providing a stable and safe surface for activities such as sunbathing, picnics, and even yoga.

Dock inflatable: The inflatable feature of this product makes it easy to set up and transport. It can be used as a dock for boats, kayaks, and other water vessels.

Inflatable fishing pontoon: The dock can also be used as a fishing pontoon, providing a comfortable and stable base for fishing trips.

Inflatable boat dock: The dock can be used as a temporary boat dock, making it convenient for loading and unloading boats.

Inflatable dock ramp: The dock can also be used as a ramp for easy access to the water, perfect for activities like swimming, diving, and snorkeling.

Features

The Inflatable Floating Dock boasts the following features:

High-quality materials: Made with Drop Stitch PVC and EVA, this product is durable and can withstand rough water conditions.

Easy to set up: The inflatable feature of this dock makes it easy to set up and take down, making it convenient for transport and storage.

Customizable size: The capacity of the dock depends on its size, and customers can choose the size that best fits their needs.

Digital printing: The dock can be customized with digital printing, allowing for logos, designs, and colors to be added according to the customer's preference.

Safe and stable: The dock has multiple air chambers, providing stability and ensuring safety for users.

Customization:
