Product Description

Commercial Customized Water Collector Containment Mat Pvc Portable Inflatable Car Wash Mat

Product Description

Water can be captured and contained with the use of inflatable car wash mats, preventing runoff into drains. to permit the recycling of water, or for any place where environmental problems might arise. You have a lot of freedom with mobile inflatable car wash mats because they are simple to set up and take down. After inflating, Inflatable Car Wash Mats create a waterproof, sealed surface in just a few seconds. Always make sure the mat is placed in a spot free of edges, , and other sharp items that could pierce or harm it.

Why Purchase This Inflatable car wash mat?

1. An inflated water containment mat that is free-standing
2. Simple, quick setup, and tear-down
3. Use a single valve to inflate and deflate
4. Ideal for preventing water runoff for proper disposal
5. Fit the majority of SUVs, motorbikes, trucks, and vehicles
6. New, incredibly robust material composed of 0.48 mm PVC
7. enhanced quality, longevity, and a new, incredibly quick pump
8. includes a patch kit, AC pump, and carrying bag.
