## Product Description

### Customized Size Water Chiller Ice Bath Drop Stitch Ice Barrel Bath Inflatable Ice Bath Tub

#### Product Description:

The Portable Water Pool is designed with high-quality materials, ensuring that it is durable and long-lasting. The pool is made with an inflatable cold tube that maintains a steady temperature, making it perfect for use as an inflatable Ice Bath Plunge Pool. The pool's walls are sturdy and stable, providing a secure and comfortable experience for users.

With a produce time of 7-15 working days, the Portable Water Pool is the perfect solution for anyone looking for a quick and easy way to cool off during the summer months or recover from a tough workout. The pool comes equipped with a repair patch, ensuring that any accidental punctures or tears can be quickly and easily repaired.

At checkout, customers can choose from a variety of payment options including T/T, Paypal, and Western Union. Additionally, customers have the option to add their own logo to the pool, making it an excellent promotional item for businesses or events.

In summary, the Portable Water Pool is a high-quality, durable, and long-lasting solution for anyone looking to cool off on a hot summer day or recover from a tough workout. With its inflatable cold tube and sturdy walls, the Portable Water Pool is the perfect inflatable Ice Bath for anyone looking for a way to relax and rejuvenate.

## Applications:

One of the main uses for the Barry Portable Water Pool is as an inflatable cold tube. It is perfect for athletes and individuals who need to recover after a workout or competition. The inflatable cold tube can be filled with ice water to help reduce inflammation and soreness. It is also a great way to cool down on a hot day.

Another common use for the Barry Portable Water Pool is as an inflatable ice bath. This product can be filled with cold water and ice to help athletes recover from intense workouts or competitions. The ice bath can help reduce muscle soreness and speed up recovery time. The Barry Portable Water Pool is also great for outdoor events and parties. It can be used as a fun water activity for kids or as a place to cool down and relax on a hot day. The foldable design makes it easy to transport and set up, so it's perfect for camping trips or backyard barbecues.

In addition, the Barry Portable Water Pool can be used for hydrotherapy and rehabilitation purposes. The water provides a low-impact environment for individuals recovering from injuries or surgeries. It can also be used for exercises that build strength and improve mobility. Overall, the Barry Portable Water Pool is a versatile and practical product that can be used in a variety of settings. It is manufactured by a reliable supplier in Guangdong, China and is easy to clean and maintain.
