Product Description

Hot Tub Inflatable Inflatable Cold Plunge Tub Suitable For Family Gardens, Gyms, Arena And Cold Water Therapy Training

Product Description:

Our Portable Water Pool is made with durable materials and is supplied by a reputable supplier in Guangdong, China. This ensures that our customers receive the highest quality product possible. The pool comes with a repair patch, so you can easily fix any minor punctures or tears that might occur during use.

One of the best features of the Portable Water Pool is its foldable design. This makes it easy to store and transport, allowing you to take it with you wherever you go. Whether you're heading to the beach, camping, or simply moving it around your backyard, this inflatable cold tube is convenient and easy to use.

Our Portable Water Pool is also perfect for cooling off during those hot summer days. The inflatable Ice Bath Plunge Pool can be filled with cold water for a refreshing dip or used as a fun play area for children. Its compact size and easy setup make it a great addition to any backyard or garden.

If you're worried about ordering in bulk, don't be! We offer a minimum order quantity of just 1 Pcs. This makes it easy for you to test out the product and see if it's the right fit for your needs.

When it comes to shipping, we offer a variety of options to suit your needs. You can choose to have your Portable Water Pool shipped by air, sea, or express, depending on your location and budget. We strive to provide our customers with the most affordable and efficient shipping options available.

Overall, our Portable Water Pool is a must-have for anyone looking for a fun and convenient way to enjoy the outdoors. Whether you're using it as an inflatable Ice Bath or a fun play area for kids, this product is sure to provide you with endless hours of enjoyment.
