Product Description

Outdoor Carnival Giant Obstacle Course Jump Around 5k Bouncy Castle Run For Commercial Use

Product Description:

Looking for an exciting activity that both kids and adults can enjoy? Look no further than our inflatable obstacle course series, which ranges from 5K courses to shorter and more challenging ones.

These inflatable courses are perfect for organizing running or training camps. They are also great for amusement parks or inflatable fun sports game centres. Whether you are planning a corporate event, a birthday party, or a family gathering, Barry Inflatables has got you covered.

One of our most popular courses is the Insane Inflatable course. This course is unlike any other race out there. We have meticulously designed each obstacle to be unique, challenging, but most importantly, fun!

The Insane Inflatable course is approximately 5K (3.1 miles) in length, but each venue provides its own terrain and challenges. Unlike traditional races, we do not time our events. Instead, we encourage our participants to enjoy the courses at their own pace. Whether you choose to race through the obstacles or take your time to conserve energy for the inflatable fun that lies ahead, our goal is to provide everyone with a fun and memorable experience.
