Product Description

Commercial Grade Insane Inflatable 5k Inflatable Obstacle Course Extreme Game Start Line For Team Building Event

Product Description:

Fun Inflatable Obstacle Courses for Kids and Adults

If you are looking for an exciting new way to get active, you should definitely consider the 5K inflatable course. Our series of inflatable courses offer fun for both kids and adults, and are perfect for organizing running and training camps. These courses can also be a great addition to your amusement park or inflatable fun sports game center.

Barry Inflatables is your trusted partner for planning amazing events. With our inflatable courses, we can help you create a unique and unforgettable experience for all your attendees. So, if you are looking for a fun and exciting way to get active, don't hesitate to get in touch.

What Makes the 5K Inflatable Course Unique?

The Insane Inflatable course is like no other race you've ever experienced before. Our team has put countless hours of effort to make each obstacle as unique, challenging, and FUN as possible. The course is designed to cover a distance of approximately 5K (3.1 miles) and offers different terrains in each venue.

Our focus is not on who is the fastest or most skilled, but on providing a fun-filled day for everyone. The event is not timed, so you can take your time and enjoy the course at your own pace. If you prefer to conserve your energy for the inflatable fun ahead, that's perfectly fine!

However, if you are feeling competitive, you are more than welcome to blaze on through the course as fast as you can. Either way, our main aim is to ensure your day is INSANELY fun. So, what are you waiting for? Sign up for the 5K inflatable course today!

Applications:

The Barry Inflatable 5k Run Obstacle is the perfect inflatable obstacle course race for a variety of occasions and scenarios. Whether you're hosting a corporate team-building event, a school fundraiser, or a community carnival, this inflatable obstacle course is sure to provide hours of fun and excitement for all ages.

One of the most popular applications for the Inflatable 5k Run is outdoor events such as festivals, fairs, and carnivals. The obstacle course can be set up on any open field or parking lot and is a great way to attract crowds and keep them engaged. With its bright colors and towering slides, it is an eye-catching centerpiece that will draw people of all ages to come and play.

Another great application for the Inflatable 5k Run is team building events. Companies can use the obstacle course to promote teamwork and collaboration among employees. The course requires participants to work together to overcome obstacles and reach the finish line, fostering a sense of camaraderie and a shared goal.

Schools and other educational institutions can also benefit from the Inflatable 5k Run. The course can be used as part of physical

education classes or as a fun activity for school carnivals and fundraisers. Children love the challenge of the obstacle course and the sense of accomplishment they feel when they complete it.

Finally, the Inflatable 5k Run is a great addition to any community event. Whether it's a charity fundraiser, a church picnic, or a neighborhood block party, the obstacle course is a fun and exciting activity that brings people together. It can be used as a standalone attraction or as part of a larger event, providing hours of entertainment for everyone.

The Barry Inflatable 5k Run Obstacle is a versatile and durable inflatable obstacle course that can be used for a wide range of applications. With its CE, EN14960, SCT, and EN71 certifications, customers can be assured that they are purchasing a safe and reliable product. Minimum order quantity is 1 with a price range of 500-2000 USD. Packaging details include a strong PVC bag and carton for blower, pump, and other accessories. Delivery time is estimated to be 7-15 working days, with payment terms of T/T, Paypal, and Western Union accepted. With a supply ability of 500 pieces per month, the inflatable obstacle course is available for custom printing and can be customized with customer logos and colors. OEM/ODM orders are also available.
