### FAQ:

**Q: What is the brand name of these inflatable water toys?**

A: The brand name is Barry.

**Q: Where are these inflatable water toys made?**

A: These inflatable water toys are made in Guangzhou, China.

**Q: What are the materials used to make these inflatable water toys?**

A: These inflatable water toys are made of high-quality PVC tarpaulin material, which is durable and waterproof.

**Q: How do I inflate these inflatable water toys?**

A: These inflatable water toys come with an air pump that can be used to inflate them in a few minutes. Simply insert the nozzle of the pump into the valve on the toy, and pump until it is fully inflated.

**Q: How do I clean and store these inflatable water toys?**

A: To clean these inflatable water toys, use a mild soap and water solution and a soft brush or sponge. Rinse with clean water and let air dry completely before storing. To store, deflate the toy completely and fold it neatly. Store in a cool, dry place away from direct sunlight.
