Product Description

Backyard Pool Kids Small Water Toys Animal Floats Inflatable Obstacle Course In Water

Product Description:

Our inflatable water toys come in a variety of sizes to fit any space or budget. Whether you're looking for a small inflatable water slide for your backyard pool or a large water obstacle course for a corporate event, we've got you covered

Customization:

With our customization services, you can have your logo or text printed on the inflatable aqua run. We offer customized logo printing and various sizes to choose from. The artwork is heat-sealed, ensuring that your design stays intact even after multiple uses. We offer flexible shipping options for your convenience. You can choose to have your inflatable water toys shipped by sea, by air, or by express.

Remark: Logo, text can be printed on the inflatable aqua run.

Support and Services:

Our Inflatable Water Toys are designed for maximum fun and safety. However, in case you encounter any issues with your product, our Technical Support team is available to assist you. We offer troubleshooting guidance and can provide replacement parts if needed. In addition, we also offer a range of Services to ensure that your Inflatable Water Toys are always in top condition. These include regular maintenance and repair services to extend the lifespan of your product. We also offer storage solutions to keep your inflatable toys safe and protected when not in use.

Our goal is to provide you with the best possible experience with our Inflatable Water Toys, and our Technical Support and Services teams are here to help make that a reality.

Packing and Shipping:

Product Packaging:

The inflatable water toys come in a durable and compact carry bag.

The carry bag is made of high-quality material that is water-resistant and tear-resistant.

The carry bag has a handle for easy transportation and storage.

The inflatable water toys are deflated and folded neatly before being packed in the carry bag.

Shipping:

The inflatable water toys will be shipped in a cardboard box that is sturdy and secure.

The box will be labeled with the product name and a fragile sticker.

The shipping carrier will depend on the customer's location and preferences.

The estimated shipping time will be provided at the time of purchase.

FAQ:

Here are some frequently asked questions about our inflatable water toys:

Q: What is the brand name of these inflatable water toys?

A: The brand name of our inflatable water toys is **Barry**.

Q: Where are these inflatable water toys made?

A: These inflatable water toys are made in **Guangzhou, China**.

Q: Are these inflatable water toys safe for children to play on?

A: Yes, our inflatable water toys are made with high quality materials and are designed with safety in mind. However, children should always be supervised while using them.

Q: How long do these inflatable water toys take to inflate?

A: The time it takes to inflate these water toys can vary depending on the size and type of toy. However, most of our inflatable water toys can be inflated in just a few minutes using an electric pump.

Q: How do I clean and store my inflatable water toy?

A: To clean your inflatable water toy, simply wipe it down with a damp cloth and mild soap. Allow it to air dry completely before storing it in a cool, dry place. Avoid storing it in direct sunlight or near any sharp objects.
