Drop stitch fabric is a must-have material if you're looking for an air-tight product that can be used for a wide range of outdoor activities. It comes in a variety of sizes, ranging from 5cm all the way up to 20cm, and is typically combined with PVC Tarpaulin for added durability and resistance to water.

The fabric is designed to be welded together using a hot-air machine, ensuring that it remains air-tight even when exposed to the elements. This makes it an ideal choice for use in outdoor locations such as beaches, water parks, and aqua parks. It can also be used in market centers or shopping malls.

One of the great things about drop stitch fabric is that it is incredibly easy to use. You can take it with you wherever you go and inflate it quickly and easily when you need it. When you're finished using it, simply deflate it and store it away until the next time you need it. In addition to its convenience, drop stitch fabric is also highly versatile. It can be used for a variety of water games, including water balls, bumper balls, paddle boats, and bumper boats. Whatever type of water activity you're planning, drop stitch fabric is sure to bring great fun to the players.

Applications:

The DWF pool comes with the option of logo print, making it an ideal choice for promotional events or company parties. Its foldable design also makes it easy to transport and store, allowing you to bring the pool wherever you go.

The DWF drop stitch pool is suitable for a wide range of applications. It can be used for personal use at home, providing a fun and relaxing atmosphere for you and your family. It's also perfect for commercial use, such as at resorts or water parks, where guests can enjoy the pool's durability and comfort.

The DWF pool is also an excellent choice for events such as weddings, birthdays, and other celebrations. It can create a unique and refreshing experience for you and your guests, setting your event apart from the rest.

Shipping is available through air, sea, or express, making it easy to receive your DWF drop stitch pool no matter where you are. Made with high-quality materials, this pool is durable and will last for years to come, providing endless fun and relaxation for you and your loved ones.
