## Product Description

### Customized Portable Drop Stitch Pool DWF Above Ground Swimming Pool Kids Pool With Cover And Electric Pump

#### Product Description:

Drop stitch fabric with various sizes available (5cm, 8cm, 10cm, 12cm, 15cm, and 20cm) is combined with PVC tarpaulin in this air-tight product. The fabric is welded together using hot-air machine technology, ensuring a secure and reliable seal. This product is highly versatile and can be used in a variety of settings, including beaches, water parks, aqua parks, market centers, and shopping malls. This inflatable product is incredibly convenient, as you can take it with you wherever you go. Simply inflate it when needed, and then deflate it and store it away when not in use. Additionally, it is perfect for use in water games such as water balls, bumper balls, paddle boats, and bumper boats, providing endless fun for players of all ages.

#### Applications:

**Summer Parties:** The portable water pool is perfect for summer parties. You can set it up in your backyard or at the beach and enjoy some fun in the sun with your friends and family. The round size of Dia 2-5m or custom, and the various color options such as blue, black and white, or at your request, make it a great addition to any party.

**Family Gatherings:** If you are hosting a family gathering, the portable water pool is a great way to keep everyone entertained. The pool is foldable, making it easy to store when not in use. You can set it up in your backyard or at a park and let the kids splash around while the adults relax and catch up.

**Commercial Use:** The portable water pool is also great for commercial use. It can be used at water parks, resorts, and other entertainment venues. Its durable construction and different shapes such as round, oval, and rectangle make it a great investment for any business.

**Training and Exercise:** The portable water pool is a great tool for training and exercise. You can use it for swimming, water aerobics, and other aquatic exercises. Its small size and portability make it ideal for home use or for taking to the gym.

**Animal Care:** The portable water pool is also great for animal care. You can use it to give your pets a cool place to swim during hot summer days or use it for horse therapy. Its durable construction makes it suitable for use with animals of all sizes.

Barry's portable water pool is a versatile product that can be used for a variety of occasions and scenarios. It is made using high-quality materials and can be customized to meet your specific needs. Barry is a reputable brand that is known for its high-quality products. The pool is manufactured in Guangzhou, China and payment methods such as T/T, Paypal, and Western Union are available for your convenience. Whether you are hosting a summer party, a family gathering, or using it for commercial purposes, Barry's portable water pool is a great investment that will provide hours of fun and entertainment.
