Product Description

Commercial Customized Outdoor Portable Drop Stitch Pool DWF Kids Adults Durable Inflatable Swimming Water Pool

Product Description:

Drop Stitch Fabric and PVC Tarpaulin

Drop stitch fabric with different sizes (5cm/8cm/10cm/12cm/15cm/20cm) alongside PVC tarpaulin is a type of air-tight production that is welded using a hot-air machine. This versatile material can be used in a multitude of settings such as beaches, water parks, aqua parks, market centers, shopping malls, and more.

One of the key benefits of drop stitch fabric is its convenience. You can transport it easily to any desired location and quickly inflate it when needed. When not in use, simply deflate it and store it away until the next time it is needed.

This material is not limited to a single use either. It can be utilized for a variety of water games such as water balls, bumper balls, paddle boats, bumper boats, and more. No matter the activity, drop stitch fabric is sure to provide a fun and enjoyable experience for all players.
