Slide is 6ft long

Weight: 450lbs

Max Kids: 10

Material: Commercial Grade PVC Tarpaulin

Colors: As shown or we can customize the colors.

Accessories: Air blower, Carry Bag , Repair Kit, Stakes

One of the great things about this inflatable bouncer is that it is available for OEM/ODM orders, so you can customize the design to suit your specific needs. The bounce house comes with a variety of accessories, including an air blower, carry bag, and repair kit, making it easy to transport and maintain. Whether you are planning a birthday party or a community event, this inflatable bouncer is sure to be a hit with kids and adults alike.

The Inflatable Bouncer House is easy to set up and take down, with simple instructions that anyone can follow. Simply inflate the bounce house using the included air blower, and you are ready to go. When it's time to pack up, the bounce house can be deflated quickly and stored in the included carry bag. This makes it easy to transport, store, and set up again whenever you need it.

Shipping for this inflatable bouncer is available by air, by ship, or by express, so you can choose the option that best suits your needs.

The bounce house is designed to last for years, with durable materials and a sturdy construction that can withstand heavy use. Whether you are looking for a jumping castle for your backyard or a fun attraction for your business, the Inflatable Bouncer House is the perfect choice.

Applications:

The inflatable bouncers come in different themes, and one of the most popular is the cartoon theme. Children love seeing their favorite cartoon characters on the bounce house, and it adds to the fun and excitement of the party.

Barry offers free 3D design for their inflatable bouncers, making it easy for customers to customize the bounce houses according to their preferences. Customers can choose the size, color, and design of the bounce house, making it unique and personalized.

Payment for the inflatable bouncers can be made through T/T, Paypal, and Western Union, providing customers with different payment options. Barry also offers OEM/ODM services, allowing customers to have their own brand name or logo on the bounce house.

The production period for the inflatable bouncers is 7 to 15 days after getting the deposit, making it easy for customers to plan their events ahead of time. The inflatable bouncers are easy to set up and take down, making it convenient for customers to use them for different occasions.

The inflatable bouncers are not only fun and exciting for children, but they also provide a safe environment for them to play in. The soft and bouncy material of the bounce house cushions any falls or jumps, reducing the risk of injury.

Overall, the inflatable bouncers from Barry are perfect for any occasion or scenario, whether it's a small family gathering or a commercial event. They provide endless fun and entertainment for children, and the customizable design and easy setup make them a convenient choice for customers.
