Outdoor Parkour Training Obstacles Course For Kids Indoor Build A Parkour Gym Equipment Warrior Course Piston

Description:

Warrior Course inflatable obstacles offer the same exciting challenge as traditional ninja obstacles but provide a softer and more forgiving surface. When deflated, inflatable obstacles take up minimal storage space, offering a practical solution for those with limited storage capacity. Warrior Course products are made to order and have a 10-week lead time. These obstacles require the <u>Small Air Blower</u> for inflation.
