The Inflatable Floating Water Park is the perfect addition to any lake or water area, providing endless fun and entertainment for all ages. This outdoor inflatable water park is designed to be a floating island for a lake, offering a safe and exciting water playland for families and friends to enjoy together.

Constructed with high-quality PVC material, this inflatable water park is durable and reliable, ensuring long-lasting use. The customizable color options allow you to create a unique and eye-catching design that suits your preferences and location.

The Inflatable Floating Water Park comes with essential accessories including an air blower for quick and easy inflation, as well as repair kits for any unexpected mishaps. With a minimum order quantity of just 1 piece, this water park is accessible for both personal and commercial use.

The weight of the inflatable water park is determined by the size you choose, providing flexibility in setup and transportation. Whether you're looking to set up a small water playland or a larger floating island for a lake, this product can be tailored to meet your specific needs.

Applications:

resort,hotel, commercial,,residential,lake,pool,sea

Customization:

- **Customization Options:** This inflatable mini water park offers tailored solutions for various occasions, including sports parks, resorts, hotels, and residential areas. Users can customize the size, shape, and color of the water park to suit their specific needs.
- **Durable and Water-Proof Design:** Made from high-quality 0.9mm PVC tarpaulin, this product boasts a durable and water-proof design, ensuring a long-lasting and safe experience for users.
- **Safety Certifications:** The product meets international safety standards, including EN14960 and EN71, as well as BSCI certification, providing assurance for customers.
- **Accessories Included:** A comprehensive package includes a pump, repairing kits, and a suitable plug, ensuring a hassle-free installation and maintenance process.
- **Digital Printing Available:** Users can choose from digital printing or silk-screen printing options to showcase their logo, pattern, or design on the water park, making it a unique and personalized experience for users.

Support and Services:

Our product technical support team is dedicated to providing assistance with any issues you may encounter while using the Inflatable Floating Water Park. Our experts are available to help troubleshoot problems, offer guidance on setup and maintenance, and answer any questions you may have about the product.

In addition to technical support, we also offer a range of services to enhance your experience with the Inflatable Floating Water Park. These services may include installation assistance, repair services, and product customization options. Our goal is to ensure that you have a positive and enjoyable experience with our product.

Packing and Shipping:

Product Packaging:

The Inflatable Floating Water Park is carefully packaged in a durable and secure box to ensure it arrives in perfect condition. Each component of the water park is individually wrapped and cushioned to prevent any damage during transportation.

Shipping Information:

Once your order is processed, the Inflatable Floating Water Park will be shipped within 2-3 business days. We partner with reliable shipping carriers to deliver your product safely and efficiently. You will receive a tracking number to monitor the status of your shipment.
