Product Description

2.4x1.8x0.15m Dropstitch Inflatable Boat Jet Ski Dock Water Floating Swimming Mat Island

Product Description:

The Jet Ski Docks are designed to withstand heavy weight and can support thousands of pounds for a range of different applications. These docks are perfect for safely storing your jet ski, or for use as a launch or mooring platform. Each Jet Ski Dock is inflatable and can be tailored to your specific size specifications. This allows for a customized fit and ensures maximum stability and safety for your jet ski. Additionally, you have the option to add your own personalized logo, making your dock truly unique and eye-catching.

Any different size and color as customized.
