Product Description

New Portable Inflatable Floating Ocean Sea Swimming Pool Protective Anti Ocean Pool With Netting Enclosure for Yacht

Product Description:

The pool itself forms a closed area, which gives it extra security when children are on board, but also for everyone as they are protected from jellyfish, fish, adjacent boats, boat traffic when anchoring, dirt, plastics, it brings a lot of peace of mind, allow more space around the boat, privacy and fun.

This pool is an additional element of security on board of your boat, which provides and allows the most secure and relaxing bath in the sea in any place and at any time, even at night

Our pool fillers can create a usable lounging space on the deck and prevent guests from falling into an empty pool, and we often supply splash pools for the little ones that can be placed directly on the yacht's deck. All sea pools come with swimmer assist grab handles and ropes. Each Sea Pool includes pump, repair kit.

Keeps children safe :

- Keeps swimming area free of the deadly "Box Jelly Fish" and all manner of floating objects
- Deflates and packs down to a compact package for stowing on board
- Extremely rigid inflatable beams with a width of 50cms, which remain rigid in high wind and tidal conditions
- Net is made from a rot proof polyester weave with a mesh size of 1.5mm
- Built to order to any size, the beams are made in "double walled drop stitch fabric" and the top has a non slip surface
- Optional stainless steel ladder and GRP saddle available
- Extremely buoyant, and the beams support several swimmers
- Optional extended sun lounging area can be incorporated in the design

Function

Work, play, leisure or relax, the inflatable sea pool is designed for different purposes! It allows you to place the pool in the lake, beach, sea, etc. It's a perfect to put it next to the yacht side. Because this inflatable pool is usually used with the yacht slide. It can extend your hang-out space on the sea. You can hold a water party to gather your friends and guests.

The pool platform can be 90cm~180cm in width. People can sit, lie down, or play on the platform. We can also add two lounges on the platform if required. To protect you away from the Critters, the pool is made with 1.5m netting (The depth of netting can be customized) on the water platform. Never worry about your fun will be end with jellyfish.

For moving easily, there are handles and anchors on the platform. After your events, the sea swimming pool can be deflated and packed into a manageable size. Then you can store it in the bag. It's convenient to transport from place to place.
