Product Description

Outdoor Custom Commercial Space Kids Amusement Park Inflatable Indoor Play Area

Description:

This is an inflatable playground with a captivating space theme. It showcases a vibrant color scheme of purple and yellow, creating an eye-catching and energetic atmosphere.

Key Features

Slides: There are prominent slides, one of which has an astronaut figure at the top, adding an element of adventure. The slides are designed for an exciting descent, enhancing the thrill factor.

Ball Pit: A large ball pit area is filled with colorful balls, decorated with space-related items like a small rocket, a planet, and an alien, providing a soft and imaginative play space.

Obstacle Areas: Features include inflatable structures that mimic space-themed obstacles, encouraging physical activity and coordination as kids navigate through them.

Thematic Decorations: Astronaut figures and space-related motifs are scattered throughout, immersing children in a cosmic play experience.

Material and Safety

Crafted from high-quality, durable PVC material, it ensures sturdiness and safety. Reinforced seams and robust construction can withstand active play, safeguarding children during their fun-filled adventures.

Ideal Use

Perfect for birthday parties, community events, or school fairs, this inflatable space-themed playground offers a unique blend of physical activity and imaginative play, making it a hit among kids and a convenient entertainment option for organizers.

Workmanship:

- 1) Double stitching inside and outside.
- 2) Quadruple stitching for the stress-bearing parts and the joint parts.
- 3) pvc tarpaulin webbing reinforces for some parts.
- 4) Full-digital printing protected by a liquid protection film.
- 5) Enough zipper outlets to deflate the games quickly.
- 6) Reinforcements for zipper joints.
- 7) Zipper cover with to disperse the stress for zippers.
