### Applications:

The inflatable bouncer is a versatile product that can be used in various occasions and scenarios. The product is suitable for both indoor and outdoor use, making it a great option for children's parties, family gatherings, school events, and even corporate events. The bouncer provides hours of fun and entertainment for children while ensuring their safety.

One of the most popular inflatable bouncer products from Barry is the Bounce House with Slide. This product is a combination of a bouncer and a slide, making it a perfect choice for children who love to bounce and slide. The product is available in various sizes, allowing customers to choose the one that suits their needs best. The Bounce House with Slide is suitable for both indoor and outdoor use, making it an excellent choice for any occasion.

Another popular product from Barry is the Bounce House Combo. This product is a combination of a bouncer, a slide, and other interactive features such as obstacles and basketball hoops. The Bounce House Combo is perfect for children who love to play and be active. The product is available in various sizes, making it suitable for both small and large events.

### Customization:

Looking for a customized inflatable bouncer house for your event or party? Look no further than Barry, a trusted brand in the industry, with products made in Guangzhou, China.

We offer free 3D design services to ensure your inflatable bounce house meets your specific needs and preferences. Our production period is typically 7-15 days after receiving your deposit, ensuring a timely delivery.

Our inflatable bouncers are made of high-quality PVC material, ensuring durability and safety for all users. We offer shipping options by air, ship, or express to ensure your product arrives on time and in perfect condition.

Make your event unforgettable with a customized inflatable bounce house, also known as a bounce house or jumping castle, from Barry.

### FAQ:

#### 1. Could I have prices of your products ?

Welcome. Pls feel free to send us an email here. You will get our reply in 24 hours.

#### 2. Can you change the size and color based on the original ?

Yes, tonle inflatable products can be customized according to your requirements. For OEM/ODM Service, welcome and please send message.

#### 3. Can you print my pictures or logo on the inflatable products ?

Yes, we can print your pictures or logo for free.

#### 4. How about the materials used in products ?

We use the famous brand 0.45,0.55mm PVC tarpaulin for ground inflatables, while 0.6mm,0.9mm PVC tarpaulin for water games.

#### 5. What' s included in products ?

Blowers for ground inflatables or air pump for inflatable water games (with certificate of CE), storage bag, repair kits (included PVC materials, glue).

#### 6. Do you ship by Sea, Ground or Air ?

We do it all. It just depends on your delivery time, budget and which shipping option you would like to choose for yourself.

#### 7. How long will it take to make any of these inflatables if they are not in stock ?

The regular bounce houses usually take 5-10 days, and much larger items like water slides and inflatable obstacle courses can take anywhere from 10-15 days. Custom made orders take about 10-30 days, depending on the style, size and structure.

#### 8. How about the package ?

Yes, each step of production and finished products will be came out inspection by QC department before shipping.  
inflatable white jump house castle inflatable bubble house white bounce house
